

## The Board of Directors conducts ESG training

On December 2, 2020, China Nuclear Energy Technology Corporation limited invited ESG professional consultant, CECEP to provide training to the Board of Directors. The meeting was held online in sync with Beijing and Hong Kong.

The meeting provided the Board with a deeper understanding of the new requirements for the ESG reporting implemented by the Hong Kong Stock Exchange in 2021 and reflects the Board's emphasis on corporate social responsibility, environmental conservation and governance. The Board of Directors will take the initiative to increase its endeavor and will pose a positive impact on the company's business stability and reputation.

Mr. Zhao Yixin, Chairman and Executive Director of the Board of Directors, Mr. Liu Genyu, Executive Director and Vice Chairman, Mr. Fu Zhigang, Executive Director and CEO, Mr. Tang Jianhua, Executive Director and COO, Mr. Li Jinying, Ms. Jian Qing, Mr. Wu Yuanchen, Independent Non-Executive Director Mr. Kang Xinquan, Mr. Tian Aiping, Mr. Chen Jialing, Mr. Wang Jimin and senior executives attended the training.
